On that day will God be one and His Name One. Zechariah 14:9

This is a vision about transforming the Temple Mount from a place of contention to a place that is truly God's Holy Mountain, a house of prayer for all people (Isaiah 56:7).

It is based upon five years of research into the requirements for the precise location of a rebuilt Temple, as published in the leading journal of Jewish religious law in Israel. Let us pass together through the Gate of Mercy to a world in which God reigns supreme, according to the prophecy: "On that day, God will be One and His Name One."
